

Pinot Noir Rosé vom Kalkstein

0,75 L

Pinot Noir can be quite a temperamental grape but thrives on limestone soils in cool climates. Thanks to the brief contact with the dark grape skins, this Pinot Noir Rosé from limestone soil is pale pink and therefore produces this delicate colour. The nose reveals aromas of raspberry, watermelon, and pomegranate, which continue on the palate. This rosé wine is dry, elegant, and vibrant on the palate with a crisp finish. Its fruitiness is at its best when it is not chilled too much.

Country of origin / region

Deutschland, Pfalz
