

Riesling Schiefer Steillage

0,75 L

The Moselle region is known around the world for its steep vineyards along the river. This geographical peculiarity and the terroir characterised by slate give our Riesling the typical minerality of these steep, stony slopes. The bouquet is characterised by a fine acidity and green apple aroma. The balance of a fine tart residual sweetness and an animating slate characteristics make this authentic Moselle Riesling a treat for the palate. This is Riesling sophistication in perfection.
