

Lion Creek Cabernet Sauvignon

0,75 L

Lion Creek, which flows past Napier vineyards, connects two of our most important wine-producing areas: Napier and Ranzadale. The name comes from the fact that lions used to come to the creek to drink during the hot, dry summer months. Today, Lion Creek usually dries up in summer, leaving behind a riverbed of gravel. This is a warm, inviting red wine with aromas of blackcurrant, wild berries and subtle toasty notes. On the palate, the wine is elegant and smooth and well-integrated tannins.
