

Lion Creek Chenin Blanc Sauvignon Blanc

0,75 L

Lion Creek, which flows past Napier Vineyards, connects two of our most important wine-producing areas: Napier and Ranzadale. The name comes from the fact that lions used to come to the creek to drink during the hot, dry summer months. Today, Lion Creek usually dries up in summer, leaving behind a riverbed of gravel. The wine is a good choice for all fish and chicken dishes. Pale gold in colour with tropical fruit on the nose, a balanced palate and long finish.
