

Riesling Spätlese

0,75 L

Kendermanns is the dynamic German wine brand offering high-quality, contemporary wine styles which meet the individual needs of today's consumers with a wide range of excellent, well-priced wines. Spätlese means "late harvest" in German. For this kind of wine, particularly ripe grapes with a high sugar content are harvested in October, after the main harvest had been completed. This modern Spätlese is fermented in stainless steel to preserve all the fruity aromas. Rhinehessen is one of the most important wine-growing regions in Germany and produces very characteristic white wines with moderate alcohol and full fruit flavour. This Riesling Spätlese is typical of such a style, produced in a modern way to appeal to today's discerning wine drinker.
